

SEMI-AUTOMATIC BUN DIVIDER AND ROUNDER

MODELS CG/SBDR SERIES

The Semi-Automatic Bun Divider rounder is an indispensable tool for small to medium sized bakeries and pizzerias.

This dividing and rounding machine is easy to use and maintain. Cleaning is quite simple, and very little maintenance is required. All-important factors for profit generation.

Particularly notable with these units, is the heavy-duty design. All materials are top quality, leading to an impressive reputation where reliability is concerned.

The design and features of the CG/SBDR Series Divider Rounder allow one to carry out very precise work cycles in a minimum amount of time.

With a diverse model range of 14 pieces to 36, a suitable machine is available for every baker.

Quality within structure, components and aesthetic detail make these units unparalleled.

Fully Automatic versions are also available, please inquire.
